Leadership

A Steering Committee is comprised of up to five (5) Forum members who serve a two-year term. Terms are staggered to ensure leadership overlap. The Steering Committee elects its officers (Chairperson and Secretary) annually in December with terms beginning in January. Steering Committee membership elections will be held using a simple balloting process by Forum members as officers retire and seats open.

Roles and Responsibilities

Steering Committee: Assist and advise the Forum Chairperson. Identify needs and research solutions for Forum members. Identify future meeting topics and speakers. Pray for Forum members.

Chairperson: With the assistance of the Steering Committee, plan and facilitate Forum meetings and initiatives. Report on accomplishments to C12 Executive Leadership.

Secretary: Record and distribute minutes of meetings and maintain membership roster and the record of officer terms to ensure succession.

Members: Regularly participate in Forum videoconferences and initiatives. Implement initiatives aimed at increasing Kingdom impact and report progress to the Forum. Provide input into Forum meeting agendas and other materials.
