"But blessed is the one who trusts in the LORD, whose confidence is in him. They will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit."

Jeremiah 17:7-8

Other than people and God, trees are the most mentioned living thing in the Bible.

A tree's growth rings tell its story...its testimony.

In the hands of a master carpenter, the wood's grain is revealed.

God knows all about the seasons of our lives and how we responded in the warm, wet years as well as the cold, drought filled years.

What will our growth rings reveal?

Are we becoming wood that the Master Craftsman can use or are we destined for the fireplace.

The Good News is that Jesus can take a piece of warped, knotty pine or piece of rich dark ebony and create something beautiful with it.
